

SCHOOL WEBSITE

School Website login is for all students and parents. It contains confidential school information accessible to all enrolled students and their parents. It allows access to your child's teacher web page containing confidential information such as school directory, class lists, SignUp Genius links for before/after school care and volunteering, announcements, photos, and other information. Your teacher will make recommendations as to how often it should be reviewed by students and parents. Please refer to this year's username and password to sign in.
