- Approval of September Minutes
- There was a review of the committee roles.
- Christine Skidmore is the new teacher representative to the Board.
- Standing committee reports:
 - Planning – There is no development director; Chris is currently stepping up to fill that role.
 - Policy – Janelle Valore
 - Public Relations / Newsletter – Jennifer VonStein & Alex Stairs – the next newsletter will be October 15. Deadlines are the 6th of every month.
 - Nominations – Jill Stoltzfoos & Melissa Wisniewski – No Report.
 - Spiritual Life – Chris thought Mary could use some help. There was a meeting last week with 9 attendees. They have events planned such A Woman’s Concern; St Leo’s Feast day celebration, regular rosaries and retreats.
 - Security & Safety – Open position.
- Ad hoc committee reports
 - PTO – Meghan Farrell – There is an open house on November 14 as part of Discover Catholic School Week. We are planning to have the Father/Daughter Dance and Mother/Son outings, a Musical and some form of Let’s Dance again. Laptops for Lions was very successful. Can we do it again? The Teacher Bonus Envelope also went well. Specific requests with a clear message and clear need have a good response.
 - Development – Father Hahn reported that we have no development director but he sent out letters to our top donors for the annual appeal. There was talk about splitting the development director into 2 roles: development and recruitment as a job share
 - Finance – Father Hahn reported that the whole committee met and had a surprisingly good year. We received the PPE forgiveness, the tuition platform is going well, and we are in good financial shape. We hope to build the auditorium next year.
- Principal’s report – The report was sent to the board. As a side note, the school will not support the Koman Foundation because it is not in line with our Catholic beliefs. Meghan knows of an organization that funds cancer research that does not include stem cell research and will give that info to Mrs. McLean.
- Pastor’s report no report, as Father spoke on the development and finances of the school.
