

2025-2026 PEANUT FREE/ TREE NUT FREE SNACK LIST

When choosing a peanut/tree nut free snack, it is important to **ALWAYS** check the ingredient label on the package to make sure it is free of peanuts and tree nuts of all kinds. PLEASE READ THE LABELS each time you purchase any of these items.

Always purchase these brand-named items – do not purchase generic brands.

This list is subject to change at any time as manufacturers may have changed ingredients, changed their equipment, or their production line since you last purchased an item from this list.

Please do not purchase items with the allergy and ingredient alert such as: “May contain peanut or tree nuts” “Processed on shared equipment with peanuts or tree nuts” “Manufactured in a plant with peanut or tree nuts” “Contains peanut or tree nut ingredients”

Thank you for your consideration and support in keeping the food-allergic children safe from having a life-threatening allergic reaction at school. While we know this is an extra step, it is important to request your help due to the seriousness of the consequences.
