

WELCOME to Kindergarten!

Dear Parents,

Welcome to Kindergarten! I am so excited to have your child in my class this year. This very important year promises to be one filled with discovery and joy as your child learns and plays in an environment that is fun, safe, and full of new experiences. We will work together to enhance your child's academic, social and spiritual development. Kindergarten is a time for your child to expand a love of learning, general knowledge and interest in reaching out to the world.

I'm very honored and happy to be your child's Kindergarten teacher and can't wait to get started! See you soon!

Sincerely,

Mrs. Kelly Mastrogiovanni (Mrs. M)
